We've Mist You...

# News Flash

## On-line Application Up and Running

Well we finally did it. Our on-line application is up and running. Check out our website at [cpcbampton.ca](http://cpcbampton.ca) and click on the Convention tab.

If you have already registered and want to give it a try, be our guest. In the address field just type in "Already registered".

At the end of the first page once you have entered, it will come back with a note on the bottom to click on to the next page. Try it, we would love to hear from you. It lets us know you're checking us out.

We would like to thank our website gurus, Cody Robertson and Sean Newman, Grade 11 students at Turner Fenton High School. They developed our website in their Grade 9 Computer Class and have continued allowing them to work off their required 40 hours volunteering for school. A match made in heaven.

## Convention Registration Costs

We have decided to extend the \$395.00 early booking until March 15. We felt it was only fair to extend the date since our on line application took longer to get up and running. **Please note that this will be the only extension.**

## Air Line Host

Westjet Airlines have been contracted as the airline of choice for the

National Convention.

We will provide more details and forms in our March 1 Newsflash.

## Hotel Booking

Remember, for those of you who booked your hotel rooms prior to January 31, your name will be entered in a draw for a chance to win a basket of wine and cheese, which will be waiting for you in your room upon arrival.

The draw will take place on February 12, at Brampton's next meeting. For those of you who have not registered check out our website and click on Hotel Accommodations or call the hotel at 1-800-263-3508.

There are still 2 Jacuzzi suites available, for confirmation of those special rooms contact me direct at:

## Niagara Factoid...

Did you know...in the mid 19th Century, the land along the shores of the Niagara River which faced the falls was all privately owned. Landowners charged tourist to look through holes in the fence to see the mighty Niagara. Eventually due to public outcry the government bought up most of this land and turned it into parks.

### Niagara Falls 1911

Look forward to March merchandise madness month.

If you have any questions...be sure to email us.
